Provider Directory

May, 2012

Welcome to Children's Medical Services Network (CMSN)-Broward.

South Florida Community Care Network (SFCCN) is made up of:
North Broward Hospital District
Memorial Healthcare System
Public Health Trust of Miami-Dade County.

SFCCN is contracted by CMS to provide services to their children.

CMSN is a provider service network. CMSN works to meet your child's health care needs.
CMSN is a Medicaid Reform health plan in Broward County.

You must get your child's medical care from CMSN providers. The provider directory is a list of providers that can be used. It tells you where you can get services. It gives provider office hours, languages spoken and age limits.

You can use this to pick your child's personal doctor. You can use this list to find a specialist, a dentist, or a hospital. You can use this list if your child needs a DME, Home Health, Therapy or other ancillary services provider.

Use this list as a tool to work with your personal doctor or CMS Nurse Care Coordinator in getting the health care services you need.

Some providers may not perform certain services based on religious or moral beliefs.

If you have questions or need help, please call Enrollee Services.

Thank you,

CMSN Enrollee Services
