Palm Beach County**

**Provider Directory
Title XXI**

May, 2012

Welcome to Children's Medical Services Network (CMSN)-Southeast Florida Region.

South Florida Community Care Network (SFCCN) is made up of:
North Broward Hospital District
Memorial Healthcare System
Public Health Trust of Miami-Dade County.

SFCCN is contracted by CMS to provide services to their children.

CMSN is an Integrated Care System (ICS) in Broward, Palm Beach and the Fort Pierce Area. CMSN works to meet your child's health care needs.

You must get your child's medical care from CMSN providers. The provider directory is a list of providers that can be used. It tells you where you can get services. It gives provider office hours, languages spoken and age limits.

You can use this to pick your child's personal doctor. You can use this list to find a specialist, or a hospital. You can use this list if your child needs a DME, Home Health, Therapy or other ancillary services provider.

Use this list as a tool to work with your personal doctor or CMS Nurse Care Coordinator in getting the health care services you need.

If you have questions or need help, please call Enrollee Services.

Thank you,
