JANUARY 2012

Welcome to South Florida Community Care Network (SFCCN).

SFCCN is made up of the North Broward Hospital District, the Memorial Healthcare System and the Public Health Trust of Miami-Dade County.

We are a provider service network that works to meet your health care needs. We serve Miami-Dade Non-Reform Medicaid. We serve Broward Reform Medicaid.

You must get your medical care from SFCCN providers. The provider directory is a list of providers that you can use. It tells you where you can get services. It gives provider office hours, languages spoken and age limits.

You can use this to pick a personal doctor. You can use this list to find a specialist, a dentist, or a hospital. You can use this list if you need a DME, Home Health, Therapy or other ancillary services provider.

Use this list as a tool to work with your personal doctor in getting the health care services you need.

Some providers may not perform certain services based on religious or moral beliefs.

If you have questions or need help, please call Enrollee Services at 1-866-899-4828.

Thank you,

SFCCN Enrollee Services
