

*******IMPORTANT NOTICE*******

Dear SFCCN Enrollee,

We have news about your coverage. Effective 9/1/2011, an informed consent is needed for psychotropic medication. If your child is under the age of 13, you have to tell your child's doctor that it is ok for your child to take it. You must bring a copy of the consent form with the script to the pharmacy.

If you have any question, please contact the Enrollee Services at 1-866-209-5022.

Thank you.
